

# **Pets Card Game**

## **Rules**

1. One player deals the cards
2. Each player looks to see if they have a set of animals (dog, cat, rabbit, fish) with the cards in their hand. If they have, they put down the 'set'.
3. The dealer starts and chooses another player and asks if they have a particular card which they need to complete another set in their hand. If this player has it, they hand it over. If not, it is their turn to ask.
4. The game continues until there are no more cards and the player with the most sets is the winner.

# **Pets Card Game**

## **Rules**

1. One player deals the cards
2. Each player looks to see if they can complete a face (eyes, nose, mouth, hair) with the cards in their hand. If they can, they put down the 'set'.
3. The dealer starts and chooses another player and asks if they have a particular card which they need to complete another set in their hand. If this player has it, they hand it over. If not, it is their turn to ask.
4. The game continues until there are no more cards and the player with the most sets is the winner.
