French Grammar Upskilling Courses

Suitable for complete beginners or those with 'rusty' language skills

Grammar 1 – Lower KS2

Become more confident about your knowledge of French grammar to teach in Years 3 and 4. Through interactive and engaging activities, improve your understanding of:

- singular and plural nouns
- indefinite article
- gender of nouns
- position of adjectives
- questions
- negatives
- some high frequency verbs and pronouns

Grammar 2 – Upper KS2

Become more confident about your knowledge of French grammar to teach in Years 5 and 6. Prior knowledge of the the Grammar 1 course is expected. Through interactive and engaging activities, improve your understanding of:

- Negative sentences
- Position and agreement of adjectives in the singular and plural
- Definite article
- Using verbs and pronouns in complex sentence building

The grammar training courses are in video format. The length of each video is 1 hour 15/30 minutes and is available to a school until May 2024 and may be viewed as many times as you wish.

Example video here – www.tinyurl.com/grammartraining

Cost - £60 per school per video
